- ❖ Do you wish you had more time to spend with your family learning about the Catholic faith?
- ❖ Is your family over-burdened by hectic schedules and frantic driving to get children from one activity to another?
- ❖ Could you use some support in helping to get you and your family to Mass more regularly?
- ❖ Are you struggling with how to keep your teenagers involved in Church?
- ❖ Would you like us to serve you dinner once a month, so that you can spend some quality time with your friends and family, and so that you can get to know other parishioners?

If you said YES to any of the above, GoLF is for you!

What is Generations of Living Faith?

More than a program. GoLF is an engaging, enjoyable, yet powerful way to *learn* about our faith. And it's for EVERYONE, of ALL ages!

GoLF is a way of fostering life-long learning and growing together in our faith – in our homes and gathered together as a parish community.

GoLF is gathering together and sharing a meal as a parish family. Then we present an exciting overview of our gathering's theme. We then offer break-out sessions all on the same theme. Finally we all come together to Share what we've learned. We conclude with prayer and Home-Kits to continue GoLF in your home. All this in about the time it takes to watch a movie!

GoLF cuts across all generations. It's for EVERYONE in our parish, in every stage of life, at any point of his or her faith journey.

GoLF helps our faith grow at home, through parishioners gathering together and through participation in church life. Come. Be part of the growth. We need you.
