

MUSIC MINISTRY AT ST. ANTHONY PARISH

Music is very much alive at St. Anthony's. There are seven different music groups singing a wide variety of music. And that doesn't even include the all parish choir that sings for special occasions throughout the year, or the cantors and accompanists who make music when a choir is not available. If you sing, or play an instrument, there is a place for you. Our many groups are described below.

La música está mucho viva en San Antonio. Hay siete grupos de música diferentes que cantan una variedad amplia de música. Y eso incluso no incluye a todo el coro de la parroquia que canta para las ocasiones especiales a través del año, o los cantores y los acompañantes que nos brindan música cuando un coro no está disponible. Si usted canta, o toca un instrumento, hay un lugar para usted. Nuestros diversos grupos son explicados más abajo.

The Family Choir sings for the 9:00 Mass, three times a month, taking the fourth Sunday of the month off. Children (and adults) are welcome in our choir. They can sing with the group and accept small solos as they feel capable and comfortable. We are accompanied by piano, guitars and a flute and welcome other instruments. We sing some harmonies and like a good beat. We practice on Monday night, in the church, 6:30-7:30. **Director Jim Fraker 425-235-6987**

We practice on Thursdays before we sing. Our music is contemporary and sometimes we sing in different languages. **Director Art Magalona**

The Traditional Choir sings for the 10:45 mass, usually three times a month. We sing music of many styles drawn from the rich heritage of sacred music from modern times and centuries past. We often sing four-part music (SATB) and are the only choir that uses the organ. There is room for more singers and accompanists! We practice on Tuesday night at 7:00 in the church. **Director Joe Sullivan 425-277-6225. jsullivan@st-anthony.cc**

The Contemporary Choir sings for the 12:30 mass every other week. The music we sing is mostly from the last thirty years, but we also like some of the classic hymns. We practice on the alternating Thursdays at our pianist's house. We are hoping to attract strong singers who are not afraid to help lead and to sing in parts. **Call Richard Levings at 253- 852-5051 or Linda**
