

Catechesis of the Good Shepherd

The Catechesis of the Good Shepherd is a formation process for children ages 3-12. This process comes out of the work of Dr. Maria Montessori. It has developed into a hands-on work, grounded in the scripture and liturgy of our Catholic faith. We are blessed to offer CGS for children at St. Anthony Parish from 3-6, 6-9 and 9-12 years old.

Our greatest need is for trained **catechists** to work with the children. We also have an ongoing need for **assistants** to help at each level. We have many opportunities in this work. Ask Lynne to find out what is currently available!!! Or just set up a time to visit!

Parishioner Involvement

CATECHIST TRAINING Since our start-up in June 2003, we have had numerous St. Anthony parishioners participate in the training process. We invite you to consider catechist training. We would love to discuss more about the Catechesis and/or the training process with you.

ASSISTANT TRAINING This is a great way to learn about CGS—come and see what happens with the children! We have many session times throughout the week, lasting from 1.5 –2 hours each.

MATERIALS MAKING Since CGS is a hands-on approach for children, the materials are unique and carefully made. If you paint, sew, or like to work with wood, scissors or glue, we would love your help!

PRAYER Please keep us in your prayers that God may prosper our work!
