God invites us to participate in a mission of love. It is a mission that begins in our hearts and overflows into our families, parishes and communities. But it doesn't stop there. God knows no boundaries and cannot be contained. When we experience it ourselves, we will want to share it everywhere and with everyone, particularly those who need it the most.

"In all its activities the parish encourages and trains its members to be evangelizers.

It is a community of communities, a sanctuary where the thirsty come to drink in the midst of their journey, and a center of constant missionary outreach."
