

Dear Friends in Christ,

It is so good to welcome Mona Fonseca, Youth and Young Adult minister, to St. Anthony Parish this week. I am so very excited about all of the programs and possibilities for our youth and young adults. Please check the bulletin for further details regarding the opportunities for our youth to meet Mona at the two “Meet and Greets” scheduled this month:

- Middle School, Sunday July 24th
- High School, Sunday July 31st

Please accept my sincere gratitude for your commitment to the Annual Catholic Appeal. After a slow start, we rallied and surpassed our parish goal, thanks to your generosity. Our gifts to this appeal will support so many deserving and important ministries here in our Archdiocese. Over goal dollars will be returned to the parish and utilized to continue to bring up to date our technology.

As I am on vacation this week with my sister and her family, I am grateful that my long-time friend and colleague, Fr. Jack Walmesley, agreed to come to St. Anthony to preside at the 7:30 a.m. and 9 a.m. Masses. I know that you will enjoy his ministry and make him feel very much at home here in our parish. Thank you for your hospitality.

Peace+
