

Dear Friends in Christ,

Happy Easter!!!! How can I begin to express how deeply moved I was by the faithful and joyful participation by all in this community during our Holy Week and Easter celebrations. My sincere congratulations to those who were received into the Church at our Easter Vigil. We welcome you into our community and rejoice to share the Eucharist with you at the banquet table of the Lord. We are so blessed by the deep faith, profound giftedness, and joyful service that these new members bring to our community.

And of course, we remember that like all celebrations/feasts in the church, Easter is just the beginning! It is the beginning of the Easter season in which we rejoice in the gift of new life and renew our commitment to live as Jesus lived – to give our lives in faithful service to one another and to love our God above all things. May we be blessed with many moments to experience the joy of the resurrection in our lives over the course of these next 50 days of Easter!
