

PARTNERS IN THE GOSPEL

The parish is not an outdated institution; precisely because it possesses great flexibility, it can assume quite different contours depending on the openness and missionary creativity of the pastor and the community... If the parish proves capable of self-renewal and constant adaptivity, it continues to be “the Church living in the midst of the homes of her sons and daughters”

—Pope Francis, The Joy of the Gospel

In September, the Archdiocese of Seattle enters the Public Comment phase of Partners in the Gospel, the phase when parishioners share their thoughts about the proposed parish families. The Archbishop wants to hear from everyone—we are all partners in the future of our Church.

Please plan to attend one of the Input Sessions at St. Anthony. Fr. Tom will present the draft parish family plan along with details about our proposed “sister parish.” Everyone in attendance will have the opportunity to share their feedback on the proposal. All input will be shared with the Archdiocese for consideration before final parish families are determined.
