

“Something happens at Mass. God is acting! He acts to save us. It is a huge event. In fact, there is nothing bigger. God has concentrated the entirety of His saving love for the world into the ritual action and words of the eucharistic liturgy.”

*– Abbot Jeremy Driscoll, OSB
What Happens at Mass*

Come explore the meaning behind what we do and say at Mass – and deepen your understanding of this encounter with Jesus – by joining Fr. Chanda for a series of

Teaching Masses

Thursdays at 7:00 pm

- April 11: Introductory (Gathering) Rites
- April 25: The Liturgy of the Word
- May 2: The Liturgy of the Eucharist
- May 9: The Communion Rite and Concluding (Sending) Rites

Each week the instruction will focus on a different movement of the Mass. Explanations will be interspersed throughout the highlighted part of the liturgy, and Fr. Chanda will expand the teaching during his homily. An open Q&A session will follow the Mass.

All are welcome! Bring your friends and family, and re-ignite your love for the Mass!
